

JM KOTHARI & SONS
TRANSLOGISTICS PRIVATE LIMITED

80 Years of Experience

Leading the Logistics Fraternity...

About **JM Kothari**

JM Kothari Group, which was founded in 1943, has achieved many milestones in offering unparalleled services in the logistics sector. Jamnadas M. Kothari, our great-grandfather, arrived in Mumbai in 1940, and in 1943, he established the business in Wadi Bunder Railway Yard, Sandhurst Road, Masjid Bunder, and Karnak Bunder. Deepak Kothari joined in 1978 when he was 18 years old while Manoj Kothari joined the organization in 1993.

Initially, we started by handling various items such as rice from Raipur to Dana Bunder, dal from Yavatmal to Maharashtra, and China clay from Orissa to Wadi Bunder.

The JM Kothari Group of Companies provides integrated logistics solutions using the finest combination of ocean, rail, and land transportation, as well as customs clearance and other related services. Backward integration essentially is buying a part of the supply chain that takes place before the manufacturing phase of the product. JM Kothari is a great example of backward integration as it merges with that part of the supply chain which appears before the actual manufacturing process of the product. Here, the final product is the transportation of cargo from one place to another. We, being a logistics company, merge with various modes of transport like railways, trucks, seaways etc. making it a backward integration process as the modes of transport appear before the cargo reaches its destination.

Modern technology, high-end services that provide useful, economical, and time-saving solutions, and personalized customer care are all provided to customers by JM Kothari Group. Our service is our reputation, and we always stand ready to provide helpful, professional guidance as well as our hands-on assistance through our network of offices across India. We believe in customer happiness and strive to do our best for the same.

Directors of **JM Kothari**

Mr. Deepak Kothari

- (Years Active: 1978 – till date)

Mr. Manoj Kothari

- (Years Active: 1993 – till date)

The company's foundation is Mr. Deepak J. Kothari. 'JM Kothari & Son's,' the former name of the business, welcomed him when he was just 19 years old. Since 1979, he has served on the board of the JM Kothari Group. He has extensive experience in the sector and specializes in rail network operations. He has set a tremendous example in the logistics and pulses industries with his approach to problem-solving and 'Calm Mind, Confident Life' philosophy. His area of expertise has been the effortless handling of enormous loads of heavy freight and the clearance of pulses. Since he is out in the field more, he frequently makes personal visits to make sure everything is going smoothly.

This team is even better, thanks to Mr. Manoj Kothari's extensive management knowledge. He started the JM Kothari Group's path of diversification and backward integration in the logistics industry when he joined. He has been the unsung hero, working diligently to maximize managerial abilities with his keen business and analytical capabilities. These two are currently pioneers in organizing supply chain management solutions and delivering logistical operations and facilities across India.

Mr. Nikunj Kothari

- (Years Active: 2019 – till date)

When a young, dynamic and technology-driven leader joins the company, it adds to the energy and spirit of the entire organization. That is what exactly happened when Mr. Nikunj Kothari joined the company envisioning it to expand in every way possible. With this determination, he set up an entire new vertical of Custom Clearance and Freight Forwarding and is successfully managing it all by himself. He is a BBA graduate from DY Patil College and currently pursuing a post-graduation diploma in Custom Clearance and Freight Forwarding at Mumbai university. His thirst for gaining knowledge from this field keeps his inquisitiveness alive, allowing him to become an effective leader.

High Quality **Services**

Railway Clearing & Forwarding

JM Kothari carries out the responsibility of sending the client's cargo through railway. We make sure that all the compliance related processes are taken care of on behalf of the client. We specialize in food grains, wet dates, tiles, cement & other products. Initially JM Kothari booked only one compartment of the train to store the cargo. But today JM Kothari has expanded its roots and consequently we need to book an entire train to help our client's cargo reach the desired destination safely.

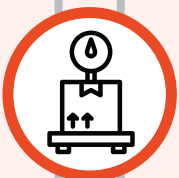

Our major stations/services are:

- Mumbai/Mundra-to-Delhi, Kanpur & northern parts of India & vice-versa
- Mumbai Port/Mundra Port/Chennai Port-to-various destinations PAN India
- Mumbai - Kolkata/Assam & vice-versa
- Ahmedabad - Kolkata/Assam & vice-versa
- Chennai-to-Indore/Delhi/various parts of North India & vice-versa

Transportation

JM Kothari provides road transportation services via trucks for delivery of goods from a particular place to a specific destination. We also make sure that the goods are absolutely safe and not hampered in any way. The responsibility of safeguarding the goods is taken care of by us. Initially JM Kothari had 10 trucks. The transportation business accelerated and currently we have around 50 trucks. These 50 trucks include 25 container trucks and 25 body trucks. Almost 150 trucks are transported on a daily basis for cargo transportation purposes.

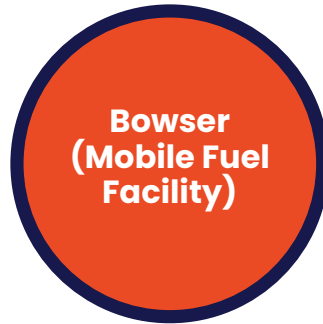

Custom Clearance & Freight Forwarding

JM Kothari follows all the procedures in a systematic and hassle-free manner for its clients to export or import their cargo to foreign land. We not only take care to follow every single step in the process but also make sure to adhere to the compliant-oriented systems. We undertake all kinds of freight bookings and provide port to port as well as door to door delivery globally. The clients can be rest assured about the safe and sound shipment of their goods. In custom clearance we specialize in foodgrains, soyabean, wet dates & frozen foodstuffs, almonds, dry fruits, nuts, rice, sugar, cashew, plastic chips, hospitality kits, machinery & ODC cargo.

JM Kothari can be the **FIRST choice because**
